Membership accepted

Congratulations and thank you for choosing to become a member of the Tea Tree Golf Club. Now that you are a member, we need to share a few key points so you can take full advantage of our facilities.

Use of the course:

You can use the course for social play at any time outside of organised competitions free of charge. We would ask that you ensure any non-members who play with you pay the required green fees before commencing play.

Competitions:

Official competitions are held across the week and the schedule can be viewed online on the club's website.

<https://www.teatreegolfclub.com.au/>

For Saturday competitions we recommend you book your tee time online, for other competitions you can just turn up to the club and the captain will assign you to a group.

Handicaps:

If you possess a current GA handicap, you will be eligible to participate in all club competitions. If you do not, please contact the club captain (David Manning 0407495664) to commence the process for submitting the required number of cards to facilitate this. You will need to complete rounds within organised club competitions to receive a GA handicap, but while undertaking this process you will be ineligible to win any events.

Code of conduct:

As a member of the Tea Tree Golf Club, we are all required to act and behave as per the guidelines within the club's code of conduct, please take the time to review these.
